

GREAT Gambling Treatment Conference

This knowledge exchange event will highlight the latest gambling harm prevention and treatment findings from members of the GREAT Network Wales and leading international experts. The aim of the GREAT Gambling Treatment Conference is to equip audience members with an advanced understanding of evidence-based prevention initiatives and the latest developments in psychological treatment for people harmed by gambling.

Monday, February 3rd 2025

[Delta Hotels by Marriott Swansea](#), Trawler Road, Maritime Quarter, Swansea SA1 3SS.

Registration is FREE but places are limited. Please register [here](#).

A note on attendance: Attendance at the GREAT Network Wales Gambling Treatment Conference limited to 50. We will circulate registration details to academic researchers, organisations that provide services or treatment to people who are harmed by gambling, and to lived experience organisations, policymakers, and other stakeholders. Industry representatives will not be invited to attend. A note on funding: The GREAT Network Wales is funded by Welsh Government through Health and Care Research Wales. There is no industry funding, direct or indirect, of the GREAT Network Wales Gambling Treatment Conference and none of the speakers are from the industry or have ever had links with the gambling industry. Speakers will be asked to include a declaration of interests at the outset of their talk.
